

Canadian Hydrogen Convention
APRIL 22-24, 2025 | EDMONTON, ALBERTA

Dear Exhibitor,

Welcome to the 2025 Canadian Hydrogen Convention! I'd like to acknowledge that we will be gathering on Treaty 6 territory, a traditional meeting ground, gathering place, and travelling route to the Cree, Saulteaux, Blackfoot, Metis, Dene and Nakota Sioux.

On behalf of dmgevents, our team is proud that energy professionals such as yourself have gathered to exhibit here at Canada's largest and most significant Hydrogen Event- The Canadian Hydrogen Convention.

As Canada is set to become one of the top producers of hydrogen globally, we are proud to welcome over 8,000 industry professionals to the Edmonton Convention Centre for two days of face-to-face well-rounded discussions, deal-making and building genuine relationships with like-minded individuals.

Our shows would not be successful without exhibitors such as yourself. Thank you for your continued support!

The online Exhibitor Zone has been created to help organize and assist all your needs for the 2025 show with various tools and information that is being updated constantly.

Please ensure the person responsible for the coordination of your stand is given access to the Exhibitor Zone and are fully informed and paying particular attention to the deadlines for each category listed below:

The online exhibitor zone and tools are not designed to replace our personal service. If you require help or assistance at any time, please feel free to contact a member of our operations team:
